

Course Description

Ceridian HR / Payroll Latitude - Canadian Parity for a US Customer Webinar

Overview:

The Canadian Parity for a US Customer Webinar - Ceridian HR/Payroll Latitude session is designed to heighten the awareness of the differences that a US customer will experience when using the product for Canadian employees. This session provides information and instruction regarding the System (company-level), Activities (process), and Employees (day-to-day maintenance) information. This workshop will prepare you for using the HR/Payroll Latitude application in a Canadian environment.

Facilitation:

- This facilitator-led virtual classroom consists of a 2-hour interactive on-line learning session. You will learn via the web – while at your PC in the convenience of your own office.

Note: All times listed are in Eastern Time (EST/EDT). If you are not in this time zone, please adjust your schedule accordingly. Webinars are offered in English only.

Once you have attended, you will be able to:

- Gain a better understanding of how transnational data is maintained in HR/Payroll Latitude, compared to the US - only license
- Understand the System level differences, including the equivalence of similar terminology
- Realize the Activity level differences, including adherence to the Canadian Processing Schedule
- Comprehend the Employee level differences, including data specific for a Canadian employee
- Review the Report level differences

Duration: 2 hours

Prerequisite:

- No training prerequisites

Note: Clients entering the Implementation Phase to begin using Ceridian HR/Payroll Latitude for Canadian Payroll Processing **must attend this webinar after attending the US classroom training. Registrations must originate from Ceridian staff as part of the Implementation Project.**
